**One Herd Family Camp
SUMMER CAMP 2018**

Dear Parent/Guardian,

We are so excited that you and your child(ren) will be joining us for Summer Camp at the San Diego Zoo Safari Park! You have enrolled in a 5-day camp from 9:00 am to 12:00 pm each day. Campers, along with one of their favorite grown-ups, will enjoy play and interactive learning, mini Park tours, up-close animal encounters, story books, and lots of hands-on activities to give your tot a fun introduction to Summer Camp at the Safari Park. The following information will help you and your camper prepare for the best time at Summer Camp:

This program is specifically designed for children ages 2-5, and is the only camp that allows infant siblings to come along. Proof of your child's age may be required to ensure that at least one of the children attending is at least 2 years old by the first day of their camp session. Please note that the activities are not meant for infants, but that infants may be carried by the parent or in a stroller for the duration of the camp. The following information will help you and your camper prepare for the best time at Summer Camp:

Each camper must have one adult with them to accompany them at camp. Adults may bring up to two children as long as at least one child is between the ages of 2-5.

PRIOR TO YOUR ARRIVAL: DOWNLOAD your Summer Camp ticket and complete your release form.

You will receive two emails: One email, containing your ticket, will be from "esales@sandiegozoo.org". The Summer Camp ticket will be used for entry into both the Parking Lot and the Safari Park main gate on the first day. A second email, containing a link to your release form, will be from "*Safari Park Summer Camp via DocuSign*". This link allows you to complete all of your release forms electronically. If you do not complete the release form through Docusign then you will be required to complete a paper release on the first morning of camp. You and your child cannot attend camp without this completed release.
